

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Apply DeFence by Havahart® when first signs of damage appear or when deer or rabbits are seen on your property or nearby. Lightly sprinkle DeFence by Havahart® evenly over the area to be protected at a rate of 1 lb. per 500 square feet. This product may be applied directly from the container or by using a spreader. Do not apply directly to food crops intended for consumption. For food crops and specific sites such as ornamental plants, trees or shrubs, apply product to the area around the plant. Avoid creating piles when applying the product. Reapply DeFence by Havahart® Repelling Pellets when effects of previous treatment begin to fade. More frequent application may be needed during periods of prolonged, heavy or frequent rainfall.
