

Active Ingredients:

- Cedar Oil
- Cinnamon Oil
- Clove Oil
- Sodium Lauryl Sulfate

CAUTION : KEEP OUT OF REACH OF CHILDREN

General Information:

Havahart® Snake Shield effectively repels snakes from areas around houses, cabins, trailers, garages, barns, woodpiles, trash cans, flower beds and more. This product may also be used around the periphery of gardens. Use in spring, summer, and fall when you expect temperatures to promote unwanted snake activity in the target area.

Directions For Use:

For outdoor use only. Do not apply directly to food crops intended for consumption. To apply, lightly sprinkle Havahart® Snake Shield around or next to the area you want to protect in a band about 8 inches wide. Avoid creating piles when applying the product. For food crops, apply protective band around periphery of garden. Do not water in the product after application. Reapply product after heavy rains for best results.

Storage & Disposal:

STORAGE: Store only in original container in a dry place inaccessible to children and pets.

DISPOSAL: If Empty: Non-refillable container. Do not reuse or refill this container. Place empty container in trash or offer for recycling if available. If Partly Filled: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Never place unused product down any indoor or outdoor drain.

Precautionary Statements:

Avoid contact with eyes as product may cause eye irritation. Avoid prolonged contact with skin or clothing as irritation may occur for certain individuals. Wash contacted skin thoroughly with soap and water after handling this product. Remove contaminated clothing and wash before reuse.
