ACTIVE INGREDIENTS:

Putrescent Whole Egg Solids.....	4.63%
Capsaicin and related Capsaicinoids.....	0.001%
Garlic.....	0.001%
OTHER INGREDIENTS:.....	95.368%
TOTAL:	100.000%

KEEP OUT OF REACH OF CHILDREN. STORE IN A COOL AREA, AVOID FREEZING. SHAKE WELL BEFORE USING.

GENERAL INFORMATION

DEER OFF® RTU II protects against deer, rabbits and tree squirrels that feed on and damage flowers, ornamentals, plants, shrubs, bulbs, trees and seedlings.

Patented Dual Deterrent System™ provides scent and taste barriers to repel deer, rabbits, and tree squirrels from browsing and feeding upon flowers, ornamentals, plants, shrubs, bulbs, trees and seedlings. Weather-resistant formula provides effective control. Reapply DEER OFF® RTU every 2 to 3 months or more often during periods when rain occurs.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS:

Use this product to repel deer, rabbits and tree squirrels that feed on flowers, plants, shrubs, bulbs, trees and seedlings. Do not apply at temperatures below 40°F, or in wet, windy conditions. Apply only in dry conditions and only under conditions favoring prompt drying of spray (lightly breezy, mild dry weather with low relative humidity). If spray is used in wet conditions or in damp, cold, foggy or misty, weather, or if precipitation or freezing occurs before spray can dry, protection may be partially or completely lost. Protect product from freezing. Freezing makes DEER OFF® RTU unusable.

IMPORTANT:

This product contains egg solids, which may cause allergic reactions in some individuals. Do not allow spray to drift onto plants intended for human consumption.

APPLICATION DIRECTIONS:

Shake the container of DEER-OFF® RTU before use. Before large-scale treatments, test product on a small area of that plant type to avoid possible plant damage.

[for 16oz] To apply, turn nozzle to spray or stream and pump trigger until material starts to dispense. Spray leaves, stems, flowers and branches thoroughly from all angles, until leaves are well wetted. One pint of DEER-OFF® 16oz RTU treats 20-25 ornamental shrubs 4 feet tall or approximately 200-250 square feet. Surface conditions, size and density of plantings will affect the area covered with a given quantity of spray.

[for 32oz] To apply, turn nozzle to spray or stream and pump trigger until material starts to dispense. Spray leaves, stems, flowers and branches thoroughly from all angles, until leaves are well wetted. One quart of DEER-OFF® 16oz RTU II treats 40-50 ornamental shrubs 4 feet tall or approximately 400-500 square feet. Surface conditions, size and density of plantings will affect the area covered with a given quantity of spray.

[for 64oz] To apply, place dip tube into container and tighten cap. Turn spray nozzle one half turn. Depress trigger until material starts to dispense. Adjust stream by turning nozzle to obtain the finest mist possible for the weather conditions experienced that day. Spray leaves, stems, flowers and branches thoroughly from all angles, until leaves are well wetted. One half gallon of DEER-OFF® RTU treats 90-100 ornamental shrubs 4 feet tall or approximately 800-1,000 square feet. Surface conditions, size, and texture of plantings will affect the coverage with a given quantity of spray.

[for 128oz] To apply, place dip tube into container and tighten cap. Turn spray nozzle one half turn. Pump trigger until material starts to dispense. Adjust stream by turning nozzle to obtain the finest mist possible for the weather conditions experienced that day. Spray leaves, stems, flowers and branches thoroughly from all angles, until leaves are well wetted. One gallon of DEER-OFF® RTU treats 180-200 ornamental shrubs 4 feet tall or approximately 1,600-2,000 square feet. Surface conditions, size, and texture of plantings will affect the coverage with a given quantity of spray.

Clean sprayer after each application to prevent clogging. Treat vulnerable plants at the beginning of each damage season. Reapply every 2 – 3 months, or as new growth emerges and if the effects of the previous treatment appear to be waning. Reapply after heavy rain.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store only in original container, in a cool, dry area. Keep away from children and pets. Protect from heat and freezing. Store between 40°F and 90°F. Keep container tightly closed to prevent spillage and evaporation. If spillage occurs, dilute with water and flush away.

CONTAINER DISPOSAL: If empty - Nonrefillable container. Do no refill or reuse this container. Place in trash or offer for recycling, if available. If partly filled - Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals.

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information concerning this product, call the National Pesticides Information Center at 1-800-858-7378, 6:30 AM to 4:30 PM Pacific Time (PT), seven days a week. During other times, call the poison control center at 1-800-222-1222.

ENVIRONMENTAL HAZARDS: For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

Note: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

Satisfaction Guaranteed: If for any reason you are not 100% satisfied, Woodstream will refund the suggested retail price or replace this product. Woodstream will not be liable for any damage, direct or incidental. Refund or replacement product is our only obligation. Call 1-800-800-1819 ext. 490.
