

Yellow Jacket Bait

Instructions:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

CAUTION: KEEP OUT OF REACH OF CHILDREN AND PETS.

Caution: The attractant is very powerful. Hang traps away from human activity. Yellow jackets can sting and cause allergic reactions in some people.

Directions:

1. Use extreme caution when maintaining or baiting traps. Bait and assemble the trap indoors. Before opening trap to replace bait, look to make sure all yellow jackets are dead.
2. Open trap. Cut off top of squeeze tube. Depending on type of trap, empty contents of tube onto attractant pad, cotton ball or other absorbent material.
3. Re-assemble trap. Wash hands to remove any attractant before hanging trap. Store unused attractants out of reach of children in a cool, dark place.

NOTICE: Safer® Inc. makes no warranty, expressed or implied, for any particular purposes concerning this product other than those which are contained on the label.

Woodstream Corp and its subsidiaries will not accept liability for damage or injury resulting from use not in accordance with label instructions.
