

End ALL™ Insect Killer

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions:

Do not allow adults, children or pets to enter the treated area until sprays have dried. Do not apply this product in a way that will contact adults, children, or pets either directly or through drift. Remove pets, birds, and cover fish aquariums before spraying. Do not wet plants to the point of runoff or drip. Do not apply directly to or near water, storm drains, or drainage ditches. Do not apply when windy. To prevent product run-off, do not over water the treated area(s) or apply prior to heavy rainfall. Do not make applications during rain. Not for use in outdoor residential misting systems.

APPLICATION INSTRUCTIONS:

SHAKE WELL BEFORE USING. Apply when insects or first signs of their damage appear. Turn sprayer nozzle to one of the open positions. Hold sprayer 12 to 18 inches from the surface to be sprayed. Spray evenly, completely coating plant surfaces where insects are feeding or resting.

Do not wet plants to the point of runoff or drip. Apply every 7 to 10 days when insects are present or as needed to prevent damage.
